KUSSIN is looking for reinforcements to fill the position

WEB DEVELOPER

(m/f/v)

We are specialists in eCommerce and digitization and support large and exciting companies from the entire GAS region. We were founded in 2006 and since everyone in Hamburg can do it, we prefer to stay in a beautiful old building in the heart of Pinneberg. Our core competencies are sophisticated e-commerce solutions based on Magento 2, OXID 6 and Shopify.

We cover the entire spectrum of conception and brand development, implementation and support of the shops as well as special solutions for interfaces. In short: We create great eCommerce platforms.

YOU HAVE

- Experience in working with complex web applications and online shop systems
- The profession of programmer; ideally a completed apprenticeship as an IT specialist (Focus: Application development) or a degree in computer science/media computer science, which is not a prerequisite
- Professional experience, at least two years would be desirable
- Knowledge of software architecture in the PHP environment, OOP and design patterns
- Routine with the programming languages PHP, MySQL, HTML, CSS, jQuery and JSON/XML
- Already experience in agile working in sprints
- Excellent knowledge of English
- Enthusiasm and a high degree of self-organization

YOU WANT

- Migrate existing shops to Magento 2, OXID 6 or Shopify.
- Develop plugins and interfaces
- Optimizing and supporting existing shops
- Working together with the Designers and the PHP Developers in our team to build shops that people love
- Also be a Project Manager, no problem. All Developers are Project Managers, too - we will teach you everything you need to know.

WE HAVE

- On request: 100% home office (incl. cost sharing) with share desk option
- Very flat hierarchies and high personal responsibility
- Coffee as much as you can drink
- No dress code, so a Wacken Tee is totally fine
- Continuous training and certification
- Free choice of work equipment (Dell Latitude 5420 / Macbook Pro)
- Company pension scheme and fair pay
- And much more

Is that something for you? Then we look forward to receiving your informative application documents including salary expectations and earliest possible starting date.

Please email your application to Sandra: sandra.kussin@kussin.de

We look forward to meet you!
